

Applying for a grant from the Oscar Rennebohm Foundation

The Oscar Rennebohm Foundation requests a brief Letter of Inquiry, submitted through our online GOapply portal. Letters of Inquiry may be submitted at any time throughout the year. It is strongly recommended that your organization contact President Jenni Jeffress via email at jenni.jeffress@rennebohm.org or by phone at 608.492.4282 prior to submission of a Letter of Inquiry to verify that the request meets the requirements.

To use the GOapply portal, you will be directed to this page:

The screenshot shows the Oscar Rennebohm Foundation search page. At the top is the logo for the Oscar Rennebohm Foundation. Below the logo is the heading "Search for your Organization". Underneath, there is a "Choose your region:" label with two buttons: "United States" (highlighted in blue) and "Canada". A horizontal line separates this section from the main search area. The main search area is titled "Search by Organization Employer Identification Number (EIN)". It contains a paragraph explaining that every organization has a unique federal employer identification number (EIN), typically a nine-digit number, and provides examples like 12-3456789 and 01-2345678. Below the text is a blue link: "US IRS Tax Exempt Organization Search Tool". At the bottom of the search area is a text input field labeled "Name / EIN / Tax ID". To the left of the input field is a blue link: "Skip, manually enter". To the right of the input field is a blue "Search" button.

Search for your Organization FIRST - if you are affiliated with an organization that is commonly abbreviated, search for one or two keywords in your organization's name.

A keyword search may include search terms such as:

School of EXAMPLE

Center for EXAMPLE

EXAMPLE Department

You can also search for your organization's record by EIN. If your organization does have an existing account, it will populate in the search results. Click on the **Select** button to choose your organization from the results.

Next, you will be prompted to create your own user account - fill out the requested information:

* First Name	* Last Name
<input type="text"/>	<input type="text"/>
* Email	* Confirm Email
<input type="text"/>	<input type="text"/>
* Password	* Confirm Password
<input type="password"/>	<input type="password"/>

Your password must be 10-100 characters long.
